## Annual Picnic to be Held August 28

The annual gathering for the Larsmont community will be held on **Monday, August 28** at the Larsmont Schoolhouse from **5 to 7 p.m.** This **Picnic and Reunion** is a chance to meet your neighbors, catch up on old times, tour the Historic Red Schoolhouse and have a great time.

The Larsmont Schoolhouse has been put on the Register of Historic Buildings and serves as the symbol for the Larsmont community. It once served as the official schoolhouse for children from Larsmont. These days, the building entertains many activities, including visiting classes from area schools.

For anyone thinking of returning to the area for a vacation, this will be the ideal time to come to the lake. If you already live in Larsmont, full time or for just part of the year, take a couple of hours out from your hectic week and relax with friends.

Once again the annual picnic will offer the opportunity to learn a little more about the

historic aspects of Larsmont as neighbors share their histories and what has been happening to their properties over the year.

It is hoped that the many new neighbors in the community will come to the picnic to introduce themselves and meet those who live and vacation here. The picnic is often the only time during the year that folks can get together, so the invitation extends to all who count Larsmont as their residence at any time of the year.

Food will again be provided for a low fee of \$6 for adults and free for children under 6. There will also be salads and beverages provided by the Community Club. Desserts will be a potluck donation from those who attend, with a wide variety of classic bars and cookies. Bring your best dish.

The more the merrier, so put it on the calendar now and don't forget to come to the picnic and reunion. Come see why Larsmont is a most special place. ■

## Painting Days at the Schoolhouse

It will be **Painting Days** again at the Larsmont Schoolhouse on **Friday-Sunday, August 25-27** with a **10 a.m. start time.**

There's always a bit of painting to do each year, and it's volunteers who accomplish keeping the Schoolhouse looking RED.

The painting party will first put a coat of red on new strips of siding as they lay out across sawhorses. There will be no ladder climbing, no real heavy lifting, just walk and paint. Please bring your own painting materials - brushes, small plastic buckets to hold paint, old rags and, of course, wear old clothing. Paint will be provided. ■

## Fun-Raising and Fund-Raising

Have you become a member of the Larsmont Community Club? Anyone can join. And with their \$10 membership dues, all members get one use of the Schoolhouse per year. Join or renew by sending your dues in today. Call Marlys for more details.

We're always looking for ways to support the Larsmont Schoolhouse building fund. If you're going to be holding a fund-raising event at the Larsmont Schoolhouse (flea market, rummage sale or other), we now request a donation of 5% to 10% of the profits. Donate \$100 or more, and we'll display a plaque with your name on it. ■

## *Larsmont CC Annual Meeting*

The annual meeting of the Larsmont Community Club was held on Monday, May 15 beginning at 7:30 p.m. in the Little Red Schoolhouse.

Among the business of the meeting: a day and time was set for the **Annual Picnic, Monday, August 28, 2006, from 5-7 p.m.** at the Schoolhouse; a **Painting Party** was set for **Friday-Sunday, August 25 through 27** to begin at **10 a.m.**, with paint being provided and folks encouraged to bring their own painting materials.

A motion was made, seconded and passed to inform members that if they hold functions and events at the Schoolhouse that generate money, such as a rummage sale, there will be a request for a 5% to 10% donation of their profits. The monies will go into the Building Fund, a fund that is used to continue the ongoing restoration of the Schoolhouse.

A suggestion was made at the meeting to ask LCC members to donate a minimum of \$25 toward the Building Fund. A donation of any amount will be accepted, but if someone donates \$100 or more, as a way of thanks there will be a plaque made with their name on it that will be placed in the Schoolhouse.

Any resident can be a member of the Larsmont Community Club with an annual

payment of \$10 in dues. Paid dues allows one free use of the Schoolhouse by the member. Dues and any donations for the Building Fund should be sent to LCC secretary **Marlys Wisch**, 489 Swanson Rd., Larsmont, MN 55616.

Complete minutes can be found on the [www.larsmont.org](http://www.larsmont.org) Website. ■
